Highlights

D3O - industry standard protection

High-end cover with D3O® licence: this bumper case guarantees shatterproof and shockproof drop protection – durable mobile phone protection in all situations

Scratch protection deluxe

Scratch-resistant with 4H hardness rating: tough, strong surface finish protects against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket

Anti-yellow tint

Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration

Camera protection through raised edges

Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos

Edge protection for the display

Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around – so the touchscreen is better protected

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Protected side buttons

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

Anti-slip surface

Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

FAQs

How resistant is the mobile phone case to yellowing?

The mobile phone case proves its durability through strict yellowing tests by SGS and in accordance with ISO 4892-2:2013. The special material composition is designed to prevent yellowing and discolouration of the cover in daily use over the long term.
