

MW 2180

The MW 2180 WIRELESS MOUSE offers good value for money and combines all needed features for office users with wireless 2.4 GHz freedom.

Models may vary from the image shown

The MW 2180 WIRELESS MOUSE is a versatile addition to your workspace – it is solid, resilient, adaptable, durable and stylish. It is the perfect choice for both office and home use.

The mouse has a symmetrical design and fits for right- and left-handed users alike. Its shape and size are designed for optimal comfort in both medium and large hands. A precise sensor with 3 levels adjustable dpi resolution (1000/1600/2400 DPI) gives you full control in every situation. For further key and button customization, the CHERRY KEYS software is available free of charge at www.cherry.de/keys. With CHERRY KEYS you can configure your mouse to perfectly suit your individual needs.
