

ideacentre 3i (7L, 7)

CLUTTER-FREE FAMILY-FRIENDLY COMPUTING.

A perfect blend of form and function, the Lenovo IdeaCentre™ 3i, powered by the latest 12th Generation Intel® Core™ i7 processors, has an ultra-compact design that fits seamlessly into any home. With a massive dual-design storage and lightning-fast connectivity, you can connect, make, and share effortlessly with all your friends and family.

WHY YOU SHOULD BUY LENOVO IDEACENTRE 3i (7L, 7)

Don't sacrifice 'Do' for 'Design'

With the latest generation of Intel® Core i7 processors, the compact size of the IdeaCentre 3i doesn't sacrifice 'do' for 'design'. The inclusion of an Intel® Iris® X^e discrete graphics card means you can work, play, make, and connect powerfully. Lighten up your life with a lightweight computer.

Store more

Don't worry about what to save and what to delete with the IdeaCentre 3i which can simply store more. The dual-design storage featuring up to 2 TB HDD and 512 GB SSD means you can create, store, and share all of your work and memories without missing a thing. Enjoy photos albums, music, and movie libraries all at your fingertips with smart sharing features for the whole family.

Plug-and-play with ports and performance

With a whopping five USBs, including three USBs front-facing, you can plug-and-play your cameras, mobile devices and other accessories effortlessly. 32 GB RAM memory means your connectivity and productivity will increase drastically, so you can upload and transfer your favorite files, photos, and movies at lightning speeds.

Clutter-free computing that's great for your decor

An ultra-compact clutter-free command center designed to optimize your space anywhere and blend in beautifully at home. It's more than just a PC, it's part of your decor. The slim and light form saves space both externally and internally for a clean and organized life and work.
