Highlights

Reaches up to 30 m

Long-range airflow that can reach up to 30 metres. Enjoy maximum comfort and feel refreshed no matter where you are; everyone in the room can feel the cool breeze.

Airflow

Provides a powerful cooling airflow of 2562 m³/h to quickly cool the entire room. Say goodbye to stagnant air and welcome a refreshing breeze that reaches every corner of your space.

Ultra-quiet, as low as 19 dB

Experience 30% quieter operation with our innovative SilentWings technology (1). Drawing inspiration from the silent wings of nature's quietest flyer, the owl, our blade design ensures a quieter cooling experience with noise levels as low as 19 dB(A) (2) — quieter than a whisper!

Quality and Durability

Made to last, season after season. With over 80 years of air care expertise, Philips performs over 110 rigorous tests on their fans before release, ensuring high quality and performance.

Quiet Sleep mode

Enjoy a cool and peaceful night's sleep with the Quiet Sleep mode. This mode gradually decreases the fan speed to the lowest setting, helping you fall asleep naturally while also conserving energy.

Natural Breeze mode

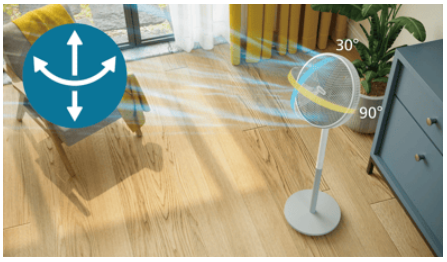

The Natural Breeze mode mimics a breath of fresh air; the intensity and speed of the air alternates seamlessly from high to low, creating a natural and invigorating indoor experience that can be enjoyed all year long.

2 Modes & 3 Speeds

Enjoy a gentle breeze or a more powerful blast of air with this versatile fan, which offers 3 speed settings, a natural breeze mode and a tranquil sleep mode. Choose the setting that suits you best, lean back and enjoy.

Oscillating and Tiltable

Feel the cooling breeze in every corner. Our fan can be tilted 30 degrees and rotates 90 degrees automatically, ensuring even airflow throughout the whole room.

Appealing, elegant design

A timeless design optimised for performance and crafted with elegance. Featuring hidden blades and a minimalist aesthetic, this fan seamlessly complements any home interior, whether it's by your bedside at night or in any room during the day.
