

# IDEAPAD 1 (14" & 15")

## Unparalleled efficiency and portability.

Browse, explore and connect with confidence on the Lenovo IdeaPad 1 powered by up to AMD Ryzen™ 7000 Series Processors on selected models. The IdeaPad 1 packs responsive performance in a thin and compact 17.9 mm chassis, making multitasking on-the-go a breeze. Get the most out of your device with a frameless display for more screen and Dolby Audio® speakers, along with long hours of battery life and rapid charge. Great for video calls, the 1MP camera comes with a privacy shutter to keep out spying eyes, as well as Smart Noise Cancelling to eliminate background noise.

### WHY YOU SHOULD BUY THE LENOVO IDEAPAD 1 (14" & 15")

#### Elevate your entertainment

Watch shows on a more expansive screen with a thin frame for an 87% Active Area Ratio—the amount of screen compared with the size of its borders—and Full-HD on select models. Listen to rich and clear audio from two Dolby Audio® speakers.

#### Solid security

Keep hackers from getting to your device. The 1MP camera comes with a physical privacy shutter to keep peeping eyes from spying, even after a video call. The optional fingerprint login on the power button also keeps your laptop tight and secure.

#### Productivity with no limits

Everything you need for everyday computing comes with AMD Ryzen™ processors. Reach your potential from your desk to the coffee shop with the perfect balance of snappy responsiveness and great battery life. Work on off-line apps and access your files from an optional 512GB SSD hard drive. Charge 15 minutes with rapid charge boost\* for 2 hours battery.

#### A smarter way to learn

Learn smarter means a smarter laptop with features such as Flip to Start, which turns on as soon as you open the lid. Minimize background noise while you're on a video call with Smart Noise Cancelling.

\* Rapid Charge Boost optimal performance achieved during S4, S5 power states or shutdown.

Audio Jack  
DC Port (round)

### PRELOADED SOFTWARE

- Windows 11
- McAfee® LiveSafe™
- Microsoft Office
- Lenovo Utility
- Lenovo Vantage

<sup>1</sup> All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

<sup>2</sup> Available on select models.

<sup>3</sup> The actual transfer speed of the USB 3.2 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

## LENOVO SERVICES

#### Lenovo Premium Care

Premium Care is the hassle-free solution for all your technical support needs. Upgrade your PC's standard warranty to our front-of-the-queue customer support service and get 24/7 real-person support via phone, chat, or email from experts who provide solutions on your first contact.

#### Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

#### Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

#### Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking third-party web trackers, secures your online accounts,

encrypts your WiFi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

#### Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

#### Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

#### Lenovo Premium Care Plus\*

The ultimate PC support experience, with you as our 24/7 priority. Enjoy personalized hardware and software support from a global network of elite technicians, along with extensive solutions that protect your PC from accidental damage, battery degradation, and ensures optimized PC performance and security.

\* Launching in February 2022 in US, Canada, and AP English markets.
