

# ThinkVision E28u-20 Monitor

## Powerful performance meets sheer comfort.

Now you can create content and history, with ease.

Whether you are an office worker chasing deadlines or a content creator winning new fans, the ThinkVision E28u-20 is a monitor that will not disappoint you. This brilliant monitor with its 3-side near-edgeless bezel design, offers powerful performance while keeping you as comfortable as possible. Its 28-inch UHD monitor, with In-Plane Switching (IPS) panel, allows you to create picture-perfect content, while its 99% sRGB & 90% DCI-P3 rating means it reproduces details in superb true-to-life colors. In addition, this Eyesafe certified display with Natural Low Blue Light technology protects your eyes by reducing harmful blue light emission, in the meanwhile ensuring better performance without color distortion. The ThinkVision E28u-20 Monitor comes with a full-function, sleek LTPS (Lift, Tilt, Pivot, Swivel\*) stand, and a 100 x 100 mm VESA mount. This enables you to set it up exactly as per your need, and gives you excellent ergonomics for a fatigue-free experience. When it comes to connectivity, it has two HDMI 2.0 ports and a DP 1.4 port too, to enable you to switch easily between multiple devices. The monitor also comes with built-in speakers and an audio out jack. ThinkVision E28u-20 - A monitor that believes you should stay comfortable while conquering the world.

### KEY FEATURES OF THINKVISION E28u-20 MONITOR

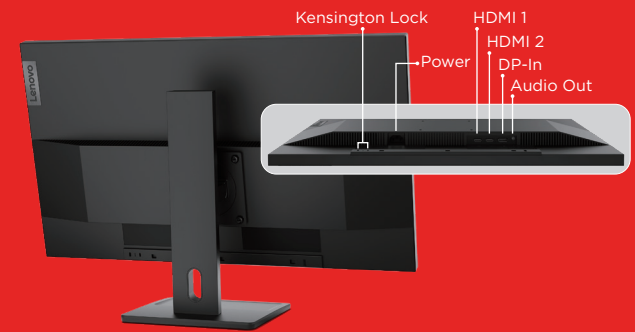

#### Top-notch clarity & details

This 28-inch UHD monitor offers you clear, sharp and rich imagery. The ThinkVision E28u-20 is an IPS (In-Plane Switching) panel monitor with 99% sRGB & 90% DCI-P3 color gamut for superior accuracy from a wide range of viewing angles. All this means a consistently brilliant performance, with extraordinary colors with superb clarity. Further, this is an HDR10 monitor which makes it excellent for displaying HDR videos and also for basic HDR video creation.

#### Comfortable & stress-free

Sit back and relax, as the ThinkVision E28u-20 Monitor is well equipped to put your comfort first. With a full-function, LTPS (Lift, Tilt, Pivot, Swivel\*) display stand, the ThinkVision E28u-20 Monitor allows enhanced flexibility for superb ergonomics so you can adjust the monitor to your most comfortable seating position. In addition, the monitor's Natural Low Blue Light technology, certified with Eyesafe Display makes for a visually stress-free user experience without color distortion.

#### Crafted for comfort and convenience

For a customized and easy work set-up, the ThinkVision E28u-20 Monitor offers you two HDMI 2.0 ports and a DP 1.4 port, so you can switch quickly between multiple devices. The monitor comes with built-in speakers as well as an audio out jack for excellent audio experience. And the 100 x 100 mm VESA mount at the monitor's rear enables you to easily attach your ThinkCenter Tiny/Nano via a specially designed bracket, enabling you to make optimum use of desk space.

\* Whole base swivel.
