

LECTERN

Lead a Forum with a Forum™

The Forum™ Collaboration Suite Lectern - an **ADA-compliant***, educator inspired, integrator friendly lectern/teaching station from Middle Atlantic Products - is designed to support a full AV system (equipment mounting, cable management, thermal management and power distribution), all while enhancing the educator's teaching experience with features like electric height adjustability (28" to 42") and accommodations for teaching technology (microphones, confidence monitors, clock timers, control system touch panels and more).

Available in four colorways utilizing the most popular HPL (high pressure laminate) designs from Wilsonart®, complimentary PET acoustic felt, and powder coat to match any space.

- Colorways

- Wilsonart® Designer White, white powder coat, silver gray PET felt
- Wilsonart® Asian Night, graphite powder coat, charcoal gray PET felt
- Wilsonart® Biltmore Cherry, magnesium powder coat, charcoal gray PET felt
- Wilsonart® Kensington Maple, magnesium powder coat, silver gray PET felt

- Available in three widths to fit in spaces from small classrooms to large lecture halls.

- 42" (106.7cm)
- 60" (152cm)
- 72" (182.9cm)

72" Wide in Kensington Maple

60" Wide in Designer White

60" Wide in Asian Night

42" Wide in Biltmore Cherry
