

133478 USB 4 C to C adapter, 40Gbps, PD 240W, 3-Pack

Product Images

Short Description

- USB-C male to Female
- 3 design (U shape / L shape)
- 40Gbps data transfer rate
- Resolution: up to 8K@60 Hz
- 48V/5A charging output (Max. 240W)
- Simple Plug-and-Play installation
- 3pcs in pack
- Aluminum casing

Description

The Equip 133478 USB 4 C to C adapter is a cutting-edge solution designed to meet the highest performance standards for data transfer and power delivery. This adapter offers an impressive data transfer speed of up to 40Gbps, allowing for the rapid movement of large files, 8K video streaming, and seamless connectivity for various peripherals. With Power Delivery (PD) support of up to 240W, it is capable of charging a wide range of devices, from smartphones and tablets to laptops and other high-power electronics, ensuring that your devices stay powered up quickly and efficiently.

This 3-pack bundle provides exceptional value and convenience, making it ideal for both personal and professional use. Each adapter is built with robust materials to ensure durability and longevity, featuring reversible USB-C connectors for hassle-free connections every time. The compact and portable design makes them perfect for travel, ensuring that you always have a reliable connection on hand.

Whether you're a tech enthusiast, a professional who relies on high-speed data transfer, or someone in need of powerful charging capabilities, the USB 4 C to C adapter is an essential tool that combines speed, power, and reliability. With this 3-pack, you can equip multiple devices or have spares for different environments, ensuring that you're always prepared for any connectivity need.
