Part No.: 180580

EAN-13: 0766623180580 | UPC: 766623180580

Bluetooth and wireless USB keyboard + mouse set to pair with three devices at the same time like laptop, phone, and tablet

Use one keyboard and mouse combo for all your devices with the Manhattan Dual-Mode Multipoint Wireless USB Keyboard and Mouse Combo Set. It connects up to three devices such as PC, Chromebook®, iPad® Pro or smartphone simultaneously: two via Bluetooth and one via its 2.4 GHz USB-A nano receiver. With just the touch of a button, you can easily switch between them (for example, from your phone to write a WhatsApp text and back to your notebook to write an email).

The benefits of wireless freedom

Cut the cord from your wired USB keyboard and mouse to declutter your desk and raise your typing comfort over the touchscreen on your tablet/phone – all with 10 m (33 ft.) wireless range. Auto-power management with sleep mode and an on/off switch lengthen the battery life significantly.

Quiet and comfortable typing

The low-profile, scissor-style key switches give you a comfortable, highly precise typing experience with a responsiveness you feel but don’t hear. Twelve function keys offer quick access to frequently used multimedia commands like email, browser or music control.

Maximum compatibility

Connect to everything you want. This combo offers wireless connectivity to Windows, Android™, iOS®, Chrome OS®, iPadOS®, and Linux® systems. The plug-and-play installation remains quick and easy, with no configuration or drivers needed.

Just the right mouse size

With a full-size shape of 11 cm (4 in.) length, the mouse offers a more comfortable grip than a mini mouse but is still compact enough for small laptop-bag pockets. An ambidextrous shape that comfortably fits the palms of right- and left-handed people and its familiar configuration (three buttons with scroll wheel) make this Wireless Optical Mouse ideal for nearly anyone's daily computing needs.

Ultra-compact and convenient

Its compact form is ideal for small workspaces and to give you more room for your mouse, plus a tilt mechanism for maximum typing comfort. Also mounted on the back are four rubber feet to prevent slipping and to protect your desk from scratches.

Features:

- Bluetooth® 5.0 and 2.4 GHz wireless USB-A receiver to connect to a PC, tablet and smartphone
- Pairs with up to three devices at the same time and easily switches between them
- Compatible with Windows®, Android™, iOS®, Chrome OS™, iPadOS®, and Linux®
- 99 scissor key switches to reduce typing noise and offer precise keystroke response
- 12 function keys offering quick and easy access to frequent multimedia functions
- Enhanced layout with numeric keypad and navigation keys for most convenient data entry
- Built-in cradle as holder for your phone or tablet
- Wireless 2.4 GHz RF nano receiver with USB-A plug for an effective range up to 10 m (33 ft.)
- Tilt mechanism offers comfortable typing positions
- Rubber feet to prevent slipping and to protect your desk from scratches
- On-board storage compartment to protect USB receiver from loss and damage

- Classic left, right and middle mouse buttons with smooth scroll wheel featuring great tactile response
- Ambidextrous design for left- and right-handed users
- High-precision optical sensor with 1200 dpi for lag-free control on almost any surface
- Mouse requires one AA battery, keyboard requires two AAA batteries (all three included)
- Auto-power management to help maintain proper battery levels
- Plug-and-play installation; no configuration or drivers required
- Three-year warranty

Specifications:

Standards and Certifications
• CE
• FCC
• RoHS
• REACH
• UKCA

General - Mouse
• Range: 2.4 GHz wireless: up to 10 m (33 ft.)
• Optical sensor: 1200 dpi resolution
• Key life: ~ 3 million clicks
• Key cap force: 60 ± 15 g
• Controls: right and left mouse with scroll wheel (auto-scroll)
• Form factor: ambidextrous
• Automatic power save/power off mode
• On/off switch
• Bluetooth mode switch
• Battery details:
  - Type: alkaline
  - Battery size: AA
  - Number of batteries required to power product: 1 (included)
  - Battery voltage: 1.5 V DC
  - Working current: ≤25 mA
  - Sleeping current 0.3 - 0.45 mA
  - Battery capacity: 1550 mAh
  - Number of battery cells: 1

Physical
• Dimensions (L x W x H): 110 x 58 x 30 mm (4.33 x 2.28 x 1.18 in.)
• Net weight: 55 g (0.12 lbs.)

General - Keyboard
• Key life: ~ 5 million keystrokes
• Key style: 99 low-profile scissor (X-structure) keys

• Key cap force: 60 ± 10 g

Electrical
• Working voltage: 3.0 V DC
• Working current ≤10 mA
• Sleeping current ≤0.03 mA
• Included battery details:
  - Type: alkaline
  - Battery size: AAA
  - Number of batteries required to power product: 2 (included)
  - Battery voltage: 1.5 V
  - Battery capacity: 600 mAh

Physical
• Dimensions (L x W x H): 373 x 143 x 25 mm (14.69 x 5.63 x 0.98 in.)
• Net weight: 800 g (1.76 lbs.)
• Nano receiver/dongle: USB-A, dimensions (L x W x H): 19 x 15 x 7 mm (0.74 x 0.59 x 0.28 in.), weight: 1.6 g (0.06 oz.)
• Housing materials: ABS plastic

Operating Environment
• Operation temperature: 0 - 40°C (32 - 104°F)
• Storage temperature: -15 - 60°C (5 - 140°F)
• Operation and storage humidity (non-condensing): <85% RH

System Requirements for 2.4 GHz RF Wireless USB
• Supported operating systems:
  - Windows XP/Vista/7/8/10/11
  - Linux
  - Google Chrome OS

System Requirements for Bluetooth
• Supported operating systems:
  - Windows 10/11
  - Linux
  - Google Chrome OS
  - iOS 11 or later
  - iPadOS 13.4 or later
  - Android 7 or later

Package Contents
• Wireless USB Keyboard
• Three-Button Wireless Optical USB Mouse
• 1 x AA battery
• 2 x AAA battery
