

MPN: MC-BNC-58-50-1500

## BNC - BNC, RG 58 - 50 OHM 15m

The MC-BNC-58-50-1500 is a high-quality BNC to BNC coaxial cable, expertly crafted for reliable signal transmission. Utilizing RG 58 cable with a 50 OHM impedance, this 15-meter cable ensures minimal signal loss and optimal performance in a variety of applications, especially in antenna setups. MicroConnect brings over 20 years of expertise to this pioneering connectivity solution, delivering premium quality at a fair price. Trust in European design and quality standards for secure and dependable connections. Ideal for connecting CCTV equipment, test equipment, or any application requiring a robust and shielded BNC connection, this cable provides the durability and performance you expect from MicroConnect.

- Gold plated
- Black

## Specifications

|                    |                    |              |
