## Description

The Equip 650347 55"-100" Fixed Motorized Wall Mount Stand is a versatile and robust solution for mounting large flat-screen TVs in a sleek and space-saving manner. Designed to accommodate screens ranging from 55 to 100 inches, this wall mount stand combines functionality with ease of use. The motorized feature allows for smooth and effortless

adjustments, providing the perfect viewing angle at the touch of a button.

Its sturdy construction ensures secure and stable support for your television, while the fixed design keeps the screen flush against the wall, offering a clean and modern look. Ideal for home theaters, conference rooms, or public displays, this mount enhances any space with its blend of convenience and aesthetics.
