Description

The Equip 650633 55"-100" Mobile Motorized TV Cart is a versatile solution for displaying large screens in various environments, including offices, classrooms, and trade shows. Designed to support TVs ranging from 55 to 100 inches, this cart features a motorized lift system, allowing for effortless height adjustments at the touch of a button.

Its sturdy construction ensures stability, while the sleek design complements any space. With lockable wheels, it offers easy mobility and secure positioning. The integrated cable management system keeps wires organized, and the cart includes a shelf for AV equipment, making it a complete solution for presentations and digital signage.
