Highlights

Fresh for 30 days

Keep beer fresh to enjoy the perfect pour for 30 days.

LED lights

The indicator shows you when your beer is at the ideal drinking temperature of 3°C.

Your favourite draft beers

Choose from a wide variety of your favourite draft beers — from crisp lagers to hoppy IPAs and refreshing wheat beers.

Chills in 12 hours

Cooling time from room temperature to 3°C in 12 hours.

Removable tap handle

Tap handle is easily removable when not in use for cleaning and child-safety.

Clean and hygienic

Each new keg comes with a new tube for a clean, hygienic pour.

Easy-to-change kegs

Just open the double doors in front to load a new keg of your favourite draft beer any time.

PerfectDraft app

Enhance your experience with the PerfectDraft app.

Specifications
