

C100 Power Bank

CHARGE YOUR LIFE IN SLIM STYLE

C100 Power Bank

The C100 power bank features a generous 10,000mAh capacity and utilizes high-efficiency lithium polymer batteries. It charges three mobile devices simultaneously and supports PD/QC 20W fast charging while its built-in LED charge indicator reminds you when battery power is low with a flashing warning. Lightweight and slim, it is easy to carry with your mobile phone and is available in stylish black or white. The C100 also includes multiple circuit protection mechanisms, providing round-the-clock charging and added peace of mind!

Efficient PD/QC 20W Fast Charging

The C100 supports PD and QC 2-way fast charging and a USB-C interface provides a maximum 20W of high-wattage output. It provides fast and reliable charging for your mobile devices!

Concurrently Charge Three Devices

The C100 can charge two devices at the same time with a maximum output of 15W. Four LED indicators show power status at a glance to easily track charging status.

Slim and Lightweight

The C100 power bank weighs only 210 grams and is smaller than a mobile phone. It is easy to carry as a perfect phone companion, making it easy to keep your devices fully charged while on the go.

Two Colors to Match Your Tastes

Available in black and white, this minimalistic yet detailed device radiates a warm allure.

Multi-Circuit Protection

The C100 sports intelligent internal circuitry that protects against over-charge, over-discharge, over-temperature, short-circuiting, over-voltage, and over-current, giving you complete peace of mind.
