Reduced
environmental
impact and
comfortable
productivity.

For professionals wanting to elevate their productivity and reduce the fatigue associated with spending long hours typing and scrolling each day, the Pro Fit™ Ergo KM675 EQ Wireless Desktop Set supports all-day comfort and productivity with style. Built with your wellbeing in mind, the ergonomic designs promote proper hand and wrist posture, ensuring a typing and scrolling experience that is as effortless as it is comfortable. Complementing a modern workspace, the Pro Fit™ Ergo Wireless Desktop Set is an ideal choice for professionals seeking to elevate their workspace with style, comfort, and performance.

- Ergonomic designs support all-day comfort
- Composed of 43% post-consumer recycled (PCR) plastic*
- Compact keyboard with customizable keys, dedicated video conferencing keys, and RGB lights
- Full-size vertical mouse with 5 buttons, silent switches, and DPI control (1000/1600/2400)
- 2.4GHz wireless connectivity with 128-bit AES government-grade encryption
- Supports up to three devices—two via Bluetooth® and one via the 2.4GHz USB-A receiver
- Windows and macOS compatible
- Built-in 500mAh rechargeable batteries with USB-C® charging ports and cables
- 3-year limited warranty

*Excludes printed circuit board (PCB) assembly, rechargeable batteries and charging cables.

Pro Fit™ Ergo KM675 EQ Wireless Desktop Set

Part Number: K75492US | UPC Code: 0 85896 75492 3

Compact Ergonomic Keyboard

The thoughtfully designed compact curved key layout, built-in wrist pad, and front keyboard legs support optimal hand and wrist positioning for all-day ergonomic comfort and productivity.

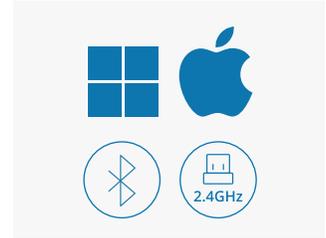

Full-Size Vertical Ergonomic Mouse

Contoured natural slope keeps the wrist in a neutral handshake position to support all-day ergonomic comfort and productivity. Full-size vertical design offers enhanced precision and control and comfortably supports larger hands.

Recycled Materials

Aimed at reducing our environmental impact, this set includes 43% post-consumer recycled (PCR) content of total plastic components.*

Multiple Connection Options

Supports up to three devices—two via Bluetooth® connections and one via the 2.4GHz USB-A receiver with 128-bit AES government-grade encryption security for a reliable connection up to 10m away. Windows and macOS compatible.

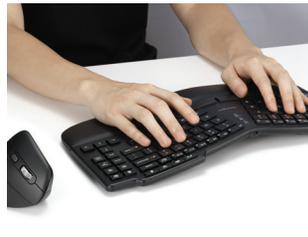

Productivity Enhancing Keyboard

Video conferencing keys support efficient meeting transitions. Vibrant RGB indicators allow you to easily monitor your connection status, caps lock, and battery life.

Silent and Productive Mouse

Left, right, forward, back, and scroll/middle-click buttons enhance navigation and productivity. Silent switches support a quiet work environment, and a DPI switch (1000/1600/2400) allows you to adjust your cursor precision and sensitivity quickly.

Long-Lasting Power

Supporting hours of productivity, the set includes built-in 500mAh rechargeable batteries with convenient USB-C® charging ports and cables for uninterrupted productivity.

Customizable Keys

Customize your experience by programming keys and buttons, assigning a dedicated shortcut to launch your preferred AI application, creating macros, adjusting key mappings, managing profiles, and more with our optional Kensington Connect™ and KensingtonWorks™ software.

*Excludes printed circuit board (PCB) assembly, rechargeable batteries and charging cables.
