Bendable LC-LC Singlemode fibre cable duplex 1m OS2 LSZH

The Lanview Bendable series is engineered for flexible cable management, able to bend and sustain any angle from a straight line to 90 degrees. The boot, shaped around a single stainless-steel wire, can be effortlessly positioned by hand, while the internal wire guarantees it retains the chosen angle or direction.

The boot can be reformed at any moment or straightened for disconnecting connectors. This feature allows for optimal installation of the connector in specialized scenarios, including areas with tight constraints or in high-density settings.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- Color: Yellow
- Bending radius: 30 mm
- LC/UPC Connector
- Diameter 2.0mm
- Fibre Standard G.652.D

Specifications

Features	Cable length	1 m
	Cable type	Duplex
	Cladding diameter	125 µm
	Compressive strength	10
	Connector 1	LC/UPC
	Connector 1 gender	Male
	Connector 2	LC/UPC
	Connector 2 gender	Male
	Connector gender	Male/Male
	Connector polish type	UPC
