HP 720 Multi-Device Rechargeable Wireless Keyboard and Mouse Combo

Supercharge Your Workday

Work confidently with tech that keeps you productive, whenever and wherever. This thoughtfully-designed multi-device wireless keyboard works as hard as you do with ultra-fast charging supercapacitor technology, seamless connectivity, and customization.

*Product image may differ from actual product

Ready When You Are

Ditch the battery and work worry-free with an ultra-fast rechargeable supercapacitor that provides up to 2 months of usage from a 3-minute charge¹. You can even recharge the keyboard while working, using the included USB-C cable², and stay typing uninterrupted³.

Switch Devices Seamlessly

Seamlessly and securely connect across multiple operating systems 4 and devices—two via Bluetooth and one via 2.4 GHz HP Unifying Dongle. You can also easily switch connected peripherals from one PC to another with this keyboard's multi-device key^5 .

Personalized Productivity

Elevate your productivity with programmable buttons and keys⁶ that reduce unnecessary keystrokes. Access Microsoft Copilot⁷ with one key, and enjoy precise tracking and mouse movement on almost any surface⁸.

Sustainability in action

Built for a Better Tomorrow

The HP Multi-Device Rechargeable Wireless Keyboard and Mouse Combo is made with at least 60% post-consumer recycled materials⁹ and comes in FSC*-certified packaging. ¹⁰ Plus, by choosing this combo, you can help prevent over 1 million batteries from ending up in landfills worldwide within the next four years. ¹¹

HP 720 Multi-Device Rechargeable Wireless Keyboard and Mouse Combo

Featuring

Microsoft Swift Pair

Easily pair with your Windows 10/11 PC in a single click. When the pop-up asks if you'd like to pair, simply tap yes for a seamless Bluetooth® connection.

Seamless Multi-Device Switching

Easily switch your connected devices—keyboard, mouse, monitor, etc.—from one PC to another with a single click of the keyboard's multi-device \ker^5

Ultra-Fast Charging

Always ready for action, the supercapacitor is a battery-free design that fully charges in just 3 minutes. 1,12

HP Unifying Dongle

Get a secure, AES 128-bit encrypted connection to the devices that power your day. Pair up to 8 HP devices and store the HP Unifying Dongle in the included keyboard storage space to ensure every piece stays with its parts.⁶

Precision and Comfort

Type comfortably and accurately with a full-size keyboard with contoured keycaps.

Scroll With It

Adapt it to your speed to effortlessly scroll through documents and webpages with the 2D scroll wheel-scroll up and down, side to side.

HP 720 Multi-Device Rechargeable Wireless Keyboard and Mouse Combo

Footnotes

Messaging Footnotes

1 Fast charging is based on USB Type-C *-- 3.0 port (5V, 2.5A). The actual charging time may vary depending on the port type and environmental conditions. Usage life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions, and features used; actual usage life will vary with usage and environmental condition.

- ² USB-C to USB-A adapter cable included.
- ³ Fast charging time applies to charging while product is not in use. Working while product is charging may increase charge time slightly.
- ⁴ Supports Windows 10, Windows 11, macOS, and ChromeOS.
- ⁵ Pre-pairing between PC and keyboard is required. Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.
- ⁶ Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.
- ⁷Copilot in Windows requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See http://aka.ms/WindowsAlFeatures
- ⁸ Glass surface may affect functionality.
- 9 Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT $^{\circ}$ standard.
- 10 Forest Stewardship Council® (FSC) Certified, meaning all components of our packaging come from responsibly managed forests to provide environmental benefits.
- ¹¹ Number of batteries to be saved from the landfill is based on HP's internal calculations which includes total number of devices sold worldwide and average life span of devices and batteries. This device carries a supercapacitor solution to store energy. $^{\rm 12}$ A supercapacitor solution using non Lithium Ion battery energy storage.

Technical Specifications Footnotes

- ¹Usage life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions and features used; actual usage life will vary with usage and environmental condition.
- ² Requires HP Accessory Center(HPAC) Software. HPAC available for free download in Microsoft Store.
- 3 Use with supported devices; functionality varies by device and market, see aka.ms/WindowsAlFeatures
- ⁴ Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT® standard for computers, IEEE 1680.1-2018 standard.
- ⁵ Outside Box and corrugated cushions are recyclable. Any plastic cushions are made from >90% recycled plastic.
- ⁶ Forest Stewardship Council® (FSC) Certified, meaning all components of our packaging come from responsibly managed forests to provide environmental benefits.
- ⁷ Devices are compatible with limited features.
