# ideapad 3i (14", 15", 17")

PURPOSEFUL PERFORMANCE.

The ultimate Smart Learning notebook, the Lenovo™ **IdeaPad™** 3i pairs up to 11th Generation Intel® Core™ i7 processors with tailored work and learn from home solutions that address eye strain, posture problems and at-home distractions, while deploying intelligent thermals for a cool and whisper-quiet system. The new privacy shutter on the camera also lets you reserve complete control over your privacy in the home and beyond.

## WHY YOU SHOULD BUY THE LENOVO IDEAPAD 3i (14", 15", 17")

Master your own privacy

Protect your lens and guarantee your privacy with the built-in privacy shutter, which safeguards against malicious actors and eases any lingering anxiety over whether your camera's still rolling after a video call.
Strengthen your digital wellness

Effectively remedy the challenges related to aches and pains, eye strain and staying focused with **IdeaPad** 3i's suite of wellness solutions. These include Eye Care and Noise Cancelling.

Intelligent thermals to cool and quiet

Keep your system even cooler and quieter with mechanical airflow enhancements and intelligent thermals, which pushes out air without crossing over the intake vents. You can also fine-tune even further with Q-control, which lets you cycle through fan speeds to optimize for either performance or battery life.

Get more on your screen

See more detail with less clutter, with 4-side narrow bezels* on the FHD display. Our commitment to screen real estate gives **IdeaPad** 3i one of the highest active area ratios of its class.

* 4-side narrow bezels on 14" and 15".

BREAKING THE BOUNDARIES OF PERFORMANCE.

Unmatched speed and intelligence that makes your experience fast, smooth and easy with up to 11th Generation Intel® Core™ i7 Processor.

1080p Video Playback : Up to 11 Hours
                          Supports Rapid Charge

---

[1] Not available for 17" model.
[2] All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.
[3] Available only on 15" model.
[4] Not all configurations will allow for these I/O ports.
[5] The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Warranty Upgrades – On-site / In-Home Service
Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.
Accidental Damage Protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

OPTIONS & ACCESSORIES

Lenovo 520
Wireless Mouse

Lenovo 17" Laptop
Casual Backpack B730
