

IDEAPAD 3i

View bigger with powerful freedom.

Seize the freedom to study, work and create anywhere with the slim and light Lenovo IdeaPad 3i, which packs powerful 13th generation Intel® Core™ i7 U series processors as well as plenty of screen real estate on the FHD IPS display. Integrate AI into your daily sessions with Lenovo AI Engine features such as Smart Wireless to keep you from dropping your connections, and keep your desk uncluttered with a full-function Type-C™ port.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 3i

Made to travel distances

At an exceptionally slim 19.9 mm, the IdeaPad 3i is easy to carry. Its sleek hairline-sheet cover comes in Arctic Grey, Abyss Blue, and Misty Blue.

Crystal-clear collaboration

The 720p HD camera comes stocked with a privacy shutter so you can maintain control over your privacy. The dual microphones ensure clear voice quality, while Dolby Audio® delivers awesome sound for your daily online needs. And with Smart Noise Cancelling, you can get a more tailored sound with less background noise so your classes, calls, and conferences are as smooth as can be.

See more. Do more.

The IdeaPad 3i's FHD IPS display with up to 88% AAR gives you wider viewing angles for a better experience across the board. Better color accuracy and contrast means you can see more and do more daily with your machine. The screen's narrow bezels give you more available viewing screen so that you can accomplish everything you need.

Perform at your best

Perform, create, and study at your best with the latest up-to-Intel® Core™ i7 U series processors. Store all the large digital files in your household with up to 1 TB of space and dual storage option. Keep your desk from cluttering with a full-function Type-C™ port for faster data transfer, power delivery, and 4K display connectivity. And grab another 2 hours of battery life when you're on the go by charging just 15 minutes with Rapid Charge Boost.

¹ All battery life claims are approximate and based on results using the MobileMark® 2018 v1.0.2.46 battery life benchmark test. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² 14" & 15" only.

³ Rapid Charge Boost can be activated in State S4 (sleeping states) and State S5 (shutdown or off state).

⁴ Optional.

⁵ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care

Premium Care is the hassle-free solution for all your technical support needs. Upgrade your PC's standard warranty to our front-of-the-queue customer support service and get 24/7 real-person support via phone, chat, or email from experts who provide solutions on your first contact.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection
