

MPN: VLUSBCPWR100

## USB-C 100W PD power adapter incl. EU and UK power cable

Vivolink USB-C Chargers is a truly universal charger that work across all brands. You can charge Macbooks, Laptop, phones & other devices faster without using any converter/adapter conveniently as it comes with reversible connector.

Including mounting bracket for easy and safe installation behind a display or under a table.

Including UK and EU power cable.

USB Power Delivery, or USB PD, is a charging protocol that uses High speed USB-C connectors and cables. Smartphones, tablets, and laptops that are Power Delivery-enabled allow safe, faster charging and more power for larger devices, without the need of a separate power supply. USB PD will Charge your smartphone up to 70% faster than standard 5W charging.

- Easy mounting under desk
- PD charge function for both MAC and PC's
- Variable charge power based in device connected
