

MPN: CON6FTPE

Modular RJ45 Cat6 FTP Easy Connector AWG 27/7 to 24/7 100pcs

The Modular RJ45 Cat6 FTP Easy Connector (CON6FTPE) provides a reliable and efficient solution for creating custom network cables. This pack of 100 connectors simplifies the termination process, thanks to its "easy" pass-through design, allowing wires to be easily inserted and verified before crimping. Designed for Cat6 FTP (Foiled Twisted Pair) cables, these connectors ensure optimal performance and reduced interference, supporting high-speed data transmission. MicroConnect brings 20+ years of expertise to these connectors, guaranteeing premium quality and reliable network connections for both professional installers and DIY enthusiasts. These connectors are an essential component for building robust and high-performing network infrastructures, backed by MicroConnect's commitment to pioneering innovation and customer-focused solutions.
