MOUNTING INSTRUCTIONS

For ISR 1110 Series

1. Place the appliance with the connections facing the front in the rack.
2. Secure the appliance with the provided screws. Continue with step 4.

For ISR 1131 Series

1. Unscrew the 2 bottom screws on the bottom of your appliance.
2. Place the appliance with the connections facing the front in the rack.
3. Use the 2 screws from step 1 to fasten the appliance.
4. Place the power supply on the Rackmount and secure it with 2 large zip ties.
5. Guide the power connector to the front of the Rackmount and connect it to your appliance.
6. Tie down the excess power cable with 1 medium zip tie.
7. Place the Rackmount in your 19-inch rack.

Please ensure proper ventilation according to the network appliance manufacturer's guidelines.
