

WP500C WIRELESS PRESENTER DUAL USB-C/A

The WP500C Wireless Presenter Dual USB-C/A from V7 is a versatile presentation tool designed for modern professionals. Featuring dual USB-C and USB-A connectivity, it offers seamless compatibility with a wide range of devices, ensuring hassle-free setup and connectivity during presentations. Its ergonomic design includes intuitive controls for navigating slides and a laser pointer for highlighting key points with precision. Compact and lightweight, the WP500C is easy to carry and use, making it the ideal companion for delivering polished presentations in any setting.

- Presentation Remote with built in Dual USB-A & USB-C Receiver for multi port connectivity
- Class 2 Red Laser Pointer adds additional emphasis to presentations
- Extended wireless range up to 164 ft/50 m
- 2-AAA batteries are included for out of the box productivity

CONTROL YOUR PRESENTATION FLOW

Effortlessly navigate your slides with dedicated start, page up, and page down buttons. No more fumbling with your laptop for smooth transitions.

MOVE FREELY

Present with confidence from anywhere in the room thanks to the extended 164 ft/50 m wireless range.

PLUG-AND-PLAY WIRELESS RECEIVER

Simply plug the 2.4 GHz receiver into a USB-C or USB-A port and you're ready to start your presentation. No software needed.

BROAD COMPATIBILITY

Works with Windows and macOS platforms, ensuring compatibility with popular presentation software like PowerPoint and Keynote.

WP500C
