sensicare 600 Washing Machine 8.0 kg 1351 rpm

EFI61841B

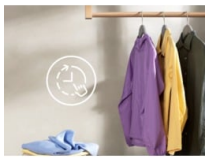

Optimised washing with load-sensing technology
The 600 SensiCare Washing Machine detects load size, adjusting time, water and energy for each individual load, from one kilo to a full load.

Product Benefits & Features

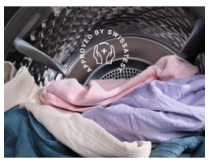

SensiCare - save up to 30% of time, water and energy with load-sensing technology*
SensiCare is a load-sensing technology that detects load size and adjusts the programme in order to save up to 30% of time, water and energy per load.* This ensures precise and tailored washing for every garment.

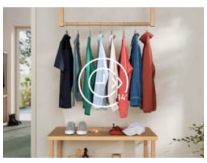

Reduce washing time with Time Manager®
Don't wash longer than you need to. Wash your clothes with the adjustable 4-step Time Manager® feature and finish washing cycles in less time.

*Based on internal test of time, water and energy consumption of a 1kg load compared to max load in Cotton cycle 30°C using SensiCare which adjusts the programme based on load size.

Steam Hygiene Programme removes 99,99% of bacteria and viruses*
The Steam Hygiene Programme, certified by Swissatest, combines a wash cycle and steam to remove more than 99,99% of bacteria and viruses* above 60°C. Pollen and allergens are also reduced for hygienically clean clothes after every wash.

Rapid washing, for quick results
The Rapid programme lets you quick-wash your clothes for light cleaning. Take care of 3kg of laundry in just 14 minutes.

* Tested for Staphylococcus aureus, Enterococcus faecium, Candida albicans, Pseudomonas aeruginosa and MS2 Bacteriophage in external test performed by Swissatest Testmaterialien AG in 2021 (Test Report No. 202120117)

Inverter Motor+ is energy efficient and durable
The Inverter Motor+ is more energy efficient than standard Inverter motors thanks to the permanent magnet motor technology.

- Aqualux washing technology - traditional washing for good results with all fabric types
- Maximum spin speed: 1400 rpm
- Spin reduction option - your choice of 500/700/900/1400 rpm
- Water connection - cold fill
- A class wash performance

Product Specification

Drum volume	53
Motor System	Permanent Magnet
Dimensions (mm) (HxWxD)	847x596x547
Depth max, mm	576
Wheels/feet	4 adjustable feet
Cord Length	1.8
Inlet hose length (mm)	130
Outlet hose length (mm)	145
Connected load (W)	1900
Voltage (V)	230-240
Required Fuse	13
Frequency (Hz)	50
Porthole Type	E Full White
Woolmark	Woolmark Blue
Det. dispenser compartments no	3
Program list	Cottons, Synthetics, Delicates, Wool, Rapid 14min, Rinse, Spin/Drain, Jeans, Sport, Silk, Duvet, OutDoor, Hygiene, Eco 40-60
Spin drying efficiency label	B
Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	47
Full load wash capacity, kg	8.0
Max spin speed, rpm	1351
Noise level, dB(A) (EU 2017/1369)	75
Duration of eco 40-60 programme in hours and mins at rated capacity (EU 2017/1369)	3:25
EnergyConsRatedCapUK	0.79
