

Introducing The Next Level

# bsi. Refurbished

Laptops & desktops with an independent mark of trust.

**DELL**

**Lenovo**

## Quality Assured

The British Standards Institute (**bsi.**), have certified this refurbished technology with the **bsi.** Kitemark™, which is one of the world's first well-established trust marks. Recognised as an independent symbol of outstanding quality, safety, and trust.

## Cost-effective Range

Over 140 variations of laptops, desktops and All-in-ones, all with consistent **bsi.** quality, available in large quantities, at a considerably cheaper price point than new. *Brand customisation options available on keyboard & lids.*

## 2-year Warranty

Reliable technology backed with a 2-year return to base warranty as standard, not that you will need it, as this technology boasts manufacturer comparable return rates.

## Sustainable Technology

Planting trees, donating to charity, preventing e-waste from landfill, and avoiding CO2 emissions from manufacture by not buying new.

## UK Facilities

All **bsi.** refurbishment is constructed and delivered from the UK.

## Standard Refurbished vs BSI Refurbished

- |                                    |   |
|------------------------------------|---|
| ✗ Inconsistent self-graded quality | ✓ Third-party verified consistent quality |
| ✗ Cleaned only                     | ✓ Engineered upgrades & cleaning          |
| ✗ Minimal tested screens           | ✓ Pristine screens                        |
| ✗ Basic power-on testing           | ✓ Thorough third-party software testing   |
| ✗ High return rate (RMA)           | ✓ Low returns rate (RMA)                  |

## OUR BSI REFURBISHED PROCESS:

### Audit & Testing

Using the bsi.8887 refurbishment process, in-depth checks are carried out on each product. Such as battery, USB ports, screen & touchpad.

### Out of Box Experience

All drivers will be updated and Windows ready to go (if you wish), with all legacy data erased.

### Customisation Options

Branding design available for lids & keyboards offering opportunity and security.

### Built to Specification

Rebuilt for top performance. We offer bespoke technology tailored to your needs, from RAM to SSD.

### Refurbishment

Any defects, marks, or faulty components are replaced for high-end performance.

### Vinyl Wrapped

Finished with the same sleek 3M vinyl wrap as seen on supercars worldwide.

### Keyboard Reprinted

Precision high-tech UV printed keys allowing changed layouts, languages & branding.
