

Installation Guide

SPM149

**Adjustable floor stand for screens up to 32"
(max VESA 200 / max weight 11kg)**

CAUTION

- This product is intended for indoor use only.
- The maximum compatible screen size is 32" and the weight limit for this product is 11 kg. Do not exceed the stated screen size nor the weight limit.
- Take special care to avoid injury when releasing the hand screws, as the top pole will come down, if not held in place.
- Floor mounting of the Floor stand is required. When anchoring the Floor stand make sure to use an appropriate anchoring solution for the specific installation site.
- If these installation instructions are not followed correctly, it could lead to product failure and potential personal injury.
- Ergonomic Solutions/SpacePole inc. cannot be held responsible for any failure or injury, if the installation instructions are not followed correctly.
