# QSFP28 Breakout DAC 2M to 4xSFP28, 100Gb/s QSFP28 Breakout DAC 2M to 4xSFP28, 100Gb/s

Lanview DAC splitter cables are a high speed, cost-effective 100Gb to 4 x 25Gb Ethernet connectivity solution, designed to meet the growing needs for higher bandwidth in data centers all products provides seamless connectivity for all your current and future network hardware needs.

- \*\*100% Nvidia Compatible\*\*

## Specifications

|                        |                             |            |
|------------------------|-----------------------------|------------|
| Features               | Cable length                | 2 m        |
|                        | Connector 1                 | QSFP28     |
|                        | Connector 2                 | SFP28      |
|                        | Connector gender            | Male/Male  |
|                        | Data transfer rate          | 100 Gbit/s |
|                        | InfiniBand protocol         | Yes        |
|                        |                             |            |
| Operational conditions | Operating temperature (T-T) | 0-70 °C    |
| Vendor information     | Brand Name                  | Lanview    |
|                        | Warranty                    | 3 Year(s)  |
