18" Pedestal Fan - Superior Airflow at 46dB

EAN 6221127020267

FAN

- **Ultra-quiet 46 dB operation – Enjoy powerful airflow with minimal noise**
- **3-speed settings + 75 W motor – Choose your ideal comfort level**
- **Adjustable height and tilt – Direct airflow with telescopic stand and 15–30° vertical tilt**
- **Wide 80°–120° oscillation – Even air distribution across larger rooms**
- **Modern and durable – ABS and metal build with sleek black-red design**
- **Includes 5-year manufacturer warranty – Long-term peace of mind**

Introducing the Tornado TSF-18XW 18" Pedestal Fan—powerful, quiet, and built to last.

With a durable 75 W motor, 3 aerodynamic speed levels, and a wide oscillation range of 80–120°, this fan circulates cool air efficiently across your space.

Enjoy adjustable vertical tilt (15–30°) and an airflow range of 2–4 meters, perfect for bedrooms, living rooms, or home offices. Despite its strength, it operates at just 46 dB, ensuring a peaceful environment even on the highest setting.

Constructed with a reinforced ABS and metal build, and styled in a sleek black-red finish, the TSF-18XW offers lasting performance with a modern edge. A mechanical control dial makes it easy to use, and its stable base keeps it steady in place.

Backed by a 5-year warranty, it's a fan you can count on year-round.
