### **Barcode Scanner Holder for Convenient, Hands-Free Scanning**

Whether you prefer the convenience of a holder or the efficiency of scanning directly from the stand, our Adjustable Barcode Scanner Stand offers you both options with ease. Compatible with Manhattan #153997, #154116, and #154185 handheld barcode scanners, it effortlessly adapts to your needs.

### **Designed for Any Environment**

Adjust the stand's angle and height to align your scanner for reliable and accurate reads every time, ensuring maximum efficiency in your operations. Whether placed on a table, counter, or desk, our stand is your go-to solution for retail/point-of-sale, hospitality, healthcare, warehousing, logistics, and beyond.

### **Durable and Ready to Use, Right Out of the Box**

This stand features a free-standing base with rubber feet to avoid slipping and surface scratches. It ships fully assembled for instant use.

**Features:**

- Use as a convenient holder or directly scan from the stand
- Compatible with Manhattan #153997, #154116, and #154185 handheld barcode scanners
- Adjustable angle and height properly aim and keeps scanner steady for reliable, accurate reads
- Suitable for table, counter or desk - ideal for retail/point-of-sale, hospitality, healthcare, warehousing, logistics, and other applications
- Free-standing base with rubber feet to prevent slipping and to protect your surface from scratches
- Ships fully assembled for instant use
- Lifetime warranty
