YOUR ULTIMATE AUDIO COMPANION THROUGHOUT THE WHOLE DAY

These open-ear true wireless earbuds redefine your audio experience, seamlessly blending featherlight design with vibrant crisp sound.

The built-in dual microphones and noise reduction technology enhance communication, making calls and meetings clearer, even in bustling city environments.

UP TO 26 HOURS OF LISTENING

Enjoy up to 26 hours of continuous listening with these Nearphones. With 7.5 hours of battery life in the earphones themselves and an additional 18.5 hours provided by the compact charging case, you can stay immersed in your music or podcasts throughout the day. Charge on the go and never miss a beat.

PIVOT MOTION HOOK FOR BEST FIT AND OPTIMAL LISTENING POSITION

The pivot motion design ensures a safe and secure fit with the best listening position, an ideal choice for sports and other active scenes.

CRISP SOUND SUPPORTED BY INTENSE SOUND PRESSURE

A 16 mm neodymium magnet and JVC's expertise in open earbuds deliver sufficient sound pressure for stress-free music enjoyment. 3 sound modes – Normal, High and Bass – for boosted bass and outdoor listening comfort and peace of mind with minimal sound leakage.

SPLASHPROOF RATED IPX4

Out and about, you don't need to worry as these earbuds can withstand rain or sweat, as the earphones boast an IPX4 splashproof rating.

KEY FEATURES
