# Balanced for life.

Perfectly balance work, study, and play with the **Lenovo IdeaPad Slim 3i Chromebook** that's both lightweight enough for mobility and military-grade rugged enough to withstand life's rigors, as you make a big splash with the efficient 12th Gen Intel® processors and 8 GB RAM. Live life with higher standards with the 14″ FHD IPS touchscreen and speakers tuned by MaxxAudio®.

## Why you should buy Lenovo IdeaPad Slim 3i Chromebook (14″, 8)

### Multitask with efficiency

Balance your work and life with the full unrestrained multitasking of the efficient 12th Gen Intel® processors and 8 GB LPDDR4X memory. Ensure your connection is fast, stable, and uninterrupted with WiFi 6E.

### Rugged and lightweight

Balancing your life sometimes means moving fast and breaking a few things, except your lightweight 3-pound Chromebook. That should stay scratch-free, as it packs a metal cover that's military-grade certified as spill, drop, and anti-pick resistant.

### Raise your standards

Browse and stream on an optional FHD IPS touchscreen with 100% sRGB color space for vivid images and a wider viewing angle, and enjoy a more intuitive user experience as you select and drag files. Put more oomph into your bass as you vibe out to tunes streamed from front-facing speakers enhanced by MaxxAudio®.

### Security built-in

Ensure your conversations are both crystal-clear and private, with the manual privacy shutter integrated into your FHD camera. With features like built-in virus protection and the Titan Security Chip, Chromebook keeps you and your data protected.

- Google Assistant
- Google Play
- Android™ Studio

[1] Battery life may vary based on device and upon usage and other conditions.
[2] The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of peripheral devices, file attributes and other factors related to system configuration and your operating environment slower than a speed of 20 Gbit/s.

## LENOVO SERVICES

**Lenovo Accidental Damage Protection**
Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

**Lenovo CO₂ Offset Services**
CO₂ Offset gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations vetted Climate Action projects.

**Lenovo Sealed Battery Warranty**
Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty.

**Lenovo Warranty Extensions (Up to 3 Years Duration)**
Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
