Safety, warranty, and support information

Plastic bag notice

DANGER: Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

Lithium coin-cell battery notice

DANGER: Danger of explosion if battery is incorrectly replaced.

If you are attempting to replace the coin-cell battery yourself, we recommend that you have all the correct documentation and repair information and tools, and carefully follow the same. Consider the option to have a Lenovo-authorized service provider or trained technician change the battery for you.

The Lenovo-authorized repair facilities or technicians recycle Lenovo batteries according to local laws and regulations. Please do not dispose of your battery with your household waste. For recycling information, go to <https://www.lenovo.com/recycling>. This product contains a coin-cell battery. When replacing the lithium coin-cell battery, use only the same type or equivalent type that is recommended by the manufacturer. The battery contains lithium and can explode if not properly used, handled, or disposed of. Swallowing the lithium coin-cell battery or placing it inside any part of the body will cause choking or severe internal burns in just two hours and might even result in death.

Do not ingest battery. Chemical Burn Hazard. Keep batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If the lithium coin-cell battery is swallowed or placed inside any part of the body, seek medical care immediately.

Do not:

- Throw or immerse into water
- Heat to more than 100°C (212°F)
- Repair or disassemble
- Leave in an extremely low air pressure environment
- Leave in an extremely high-temperature environment
- Crush, puncture, cut, or incinerate

Dispose of the battery as required by local ordinances or regulations.

The following statement applies to users in the state of California, U.S.A.

California Perchlorate Information:

Products containing manganese dioxide lithium coin-cell batteries may contain perchlorate.

Perchlorate Material - special handling may apply, see <https://www.dtsc.ca.gov/hazardouswaste/perchlorate>

Compliance, recycling, and environmental information

Compliance information

This section shows the compliance information for specific countries or regions. The latest compliance information is available at <https://www.lenovo.com/compliance>.

Electromagnetic emission notices

This device has been tested and found to comply with the limits for a Class B digital device. The *User Guide* for this product provides the complete Class B compliance statements that are applicable to this device.

European Union (EU) / United Kingdom (UK) - Radio Equipment Compliance

EU contact:

Lenovo (Slovakia), Landererova 12, 811 09 Bratislava, Slovakia

UK contact:

Lenovo, 3rd Floor, 25 Templer Avenue, Farnborough, GU14 6FE, UK.

Hereby, Lenovo declares that the radio equipment type ThinkSmart Hub with wireless communications is in compliance with Directive 2014/53/EU, as well as UK Radio Equipment Regulations SI 2017 No. 1206. The full texts of the system declarations of conformity are available at <https://www.lenovo.com/us/en/compliance/eu-doc> for EU and <https://www.lenovo.com/us/en/compliance/uk-doc> for UK. This radio equipment operates with the following frequency bands and maximum radio-frequency power:

Technology	Frequency band [MHz]	Maximum transmit power
WLAN 802.11b/g/n	2400 - 2483.5	< 20 dBm
WLAN 802.11a/n/ac	5150 - 5725	< 23 dBm
WLAN 802.11a/n/ac	5725 - 5875	< 13.98 dBm
Bluetooth BR/EDR/LE	2400 - 2483.5	< 20 dBm

Note: Not all wireless bands may be enabled depending on your product configuration. Usage of this device is limited to indoor locations in the bands 5150 - 5350 MHz.

Radio frequency compliance information

Product models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use.

Recycling and environmental information

This section shows the recycling and environmental information for specific countries or regions.

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to <https://www.lenovo.com/recycling>

For additional recycling and environmental statements, refer to your User Guide. The latest environmental information about our products is available at <https://www.lenovo.com/ecodeclaration>.

Important battery recycling and WEEE information

Don't dispose of your product or battery with your household waste. Refer to the *User Guide* for further information, or go to <https://www.lenovo.com/recycling>.

For additional legal notices, refer to the *User Guide* for your product.
