Secure Tablet & iPad POS Stand (Black)

Universal tablet and iPad POS stand for style-conscious customers.

Designed to be the perfect tablet stand for POS; with its rotating base, adjustable screen angle, cable management features, as well as multiple mounting and security options, the Bouncepad Eddy will ensure your POS counter space is ready for payments all day long.

It is a beautifully designed product that's constructed from die cast aluminum, and is compatible with all popular consumer tablets.

Note that front facing cameras may be covered depending on their location (this applies to 2024 iPad Air and Pro devices).

- Compatible with most 7" to 13" tablets including all iPads from Mini to Pro 12.9"
- Tablet cannot be used in portrait orientation.
- Tilting screen angle allows staff to position as required.
- Jaws can be locked in place to secure your tablet.
- No installation required. Use straight out of the box.
- Cable management keeps your counter tidy and your wires out of the way.
- Rotating base facilitates screen-sharing with customers.
- Freestanding base makes it easy to move around the countertop.
