Highlights

Glowing Channel and Volume CTR

Large, coloured channel and volume buttons make it easy for your patient to recognize and remember the most essential functions. On top, the buttons are phosphorescent and will light up in a dark environment.

Hospitality Remote Control

This stylish remote control is especially designed for hospitality usage. For an easy to use experience for the guest the most essential buttons and functions are conveniently placed on the remote. In addition, most Hospitality remote controls come with an anti-theft battery provision, a feature that contributes to efficient hotel operations.

Anti-theft for batteries

Batteries can be locked with a screw so they cannot be taken out by the guests.

Low battery detection

A message will appear on screen when the battery is almost empty. Battery can be changed in time by hotel staff. No hassle or irritation for your guests.
