

PRODUCT MESSAGING:

Introducing the Zens Single Aluminium Wireless Charger, featuring an ultra-thin design crafted from a single piece of high-grade aluminum, designed to efficiently fast-charge a single device. With a powerful 15W output supporting Apple and Samsung Fast Charge, it includes a braided USB-C cable and power adapter for added convenience. The non-slip finish ensures perfect placement. Simply place your device on the charging pad, and charging starts automatically.

Equipped with a built-in USB port on the side, it allows for charging a second device. When paired with the Apple Watch USB stick*, it becomes the ultimate charging solution for simultaneously charging one device (phone or AirPods) and an Apple Watch.

*Sold separately
