

PRODUCT MESSAGING

Say hello to simplicity with the Zens Wireless Charging Adapter. This compact, all-in-one solution combines wireless charging and USB-C technology for effortless, everyday power. Whether you're at home, at work, or on the go, just snap your iPhone 12 and higher onto the adapter for fast and easy charging. This charger is also compatible with AirPods that have a MagSafe case or an Android phone with a magnetic case that supports Qi wireless charging.

Available in sleek black and white, the adapter fits perfectly into any room, complementing your space no matter which sockets you use. With a secure magnetic hold, soft grip material, and 15W wireless output, your device stays charged and ready. Plus, the built-in 18W USB-C port allows you to charge a second device, like your tablet or AirPods, simultaneously.

This charger can be used in almost all European countries except Ireland, Cyprus, Malta and the United Kingdom.
