

PRODUCT MESSAGING:

With peace of mind knowing all your devices are charging in one location, the 3-in-1 Modular Wireless Charger with iPad Charging Stand is a convenient and sustainable charging solution. It delivers the fastest possible power to all your Apple devices including your iPhone with MagSafe, AirPods, and iPad.

Crafted with a carefully designed magnetic connection, the main station connects to power via a 65W adapter included in the box, supporting MagSafe for fast charging up to 15W, while the USB-C port provides up to 30W output for iPad charging. It offers versatility in portrait or landscape positions, supports Apple Standby mode and is made from recycled plastic, allowing for up to 3 extensions to be magnetically connected for a personalized charging setup. Extensions, such as the Apple Watch extension, the Single Wireless Charger extension and the USB-hub extension are available separately, ensuring compatibility with future upgrades.

FEATURES:

- Official MagSafe provides the fastest possible charge up to 15W for iPhone 12 and up
- 30W USB-C port to charge an iPad
- Can be easily upgraded with new extensions
- Apple StandBy Mode support
- Works with most MagSafe cases (< 3 mm)
- Made from recycled plastics
- 3 year warranty
