

HP ScanJet Enterprise Flow 9000 s1 Scanner

(8Q4W0A)

Max productivity. Wide format. Premium performance.

HP ScanJet Enterprise Flow 9000 s1 Scanner is ideal for scanning wide-format documents and handle through heavy workloads with ease.

Scan a wide range of sizes up to A3

- Posters, technical drawings, and more—this scanner handles up to A3 documents, without compromising quality.
- Capture a wide range of documents—even stacks of mixed media sizes and types—with HP EveryPage.
- Keep fragile documents preserved, with the Low-speed mode, which protects thin papers while scanning.

Increase productivity and reduce interruptions

- Scan documents blazing fast, with one-pass two-sided scanning up to 80 pages/160 images per minute.¹
- Take care of heavy workloads with the 100 A3-page ADF - recommended for 30,000 sheets a day.
- Save time and reduce waste with two-sided scanning that captures all your data in a single pass.
- Tackle tasks quickly and easily - with the 2-line, 16-character LCD and buttons.

Streamline tasks with automated workflows

- Digitise files without worrying about running out of storage, with the efficient file compression.
- Easily transfer scans into editable text, searchable PDF files, and more file types, using the built-in OCR.
- Save time reading and classifying files, with a scanner that recognizes your files, and does it for you.
- Scan images directly into applications with included and full-featured TWAIN, ISIS® and WIA drivers.
- Speed up document workflows, and touch-up scans with intelligent editing tools from HP Scan Premium software.

Safeguard your scans from malware

- Get safe scan startups, with HP Secure Boot, which automatically checks that the BIOS code is secure.
- Keep compromised firmware at bay, with HP firmware code-signing validation, minimizing exposure to exploits.
