Highlights

Exclusive formula

The exclusive formula of the Philips Saeco espresso machine decalcifier ensures thorough decalcification without harming the delicate parts inside your appliance.

Refined over 25 years

Tested and approved by Saeco, the inventor of the full-automatic espresso machine.

Special Espresso Decalcifier

The Philips Saeco decalcifier perfectly cleans all the water circuits in your espresso machine.

Reduces limescale build-up

Limescale is a natural part of water used for the machine's operation. This special decalcifier protects your appliance from the build-up of limescale which affects performance and taste. It is highly effective, safe and easy to use. For effective decalcification descale when the machine requires it or after 250 cups according to water hardness.

Better taste and aroma

Regular maintenance ensures the best taste and aroma from your Saeco espresso machine.

Quick and easy decalcification

The special Saeco decalcifier for espresso machines comes with clear instructions for use, enabling quick, easy and safe decalcification.
