Smart ID Card Reader

The CSMARTID is your best friend for your online tax reporting, online banking and online identification. The CSMARTID is fully compatible with Windows XP/Vista/7/8/10 and Mac OS and the necessary applications in e.g. DNIe and eID.

Highlights

> Compatible with eID and DNIe cards
> Identify yourself when necessary. All you have to do is insert the card in the reader. All your details then appear automatically on the PC screen
> Authenticate yourself. This is a way of checking that you are who you say you are. That can be useful on the internet or to enable your children to chat in safety
> Place a legally binding electronic signature on electronic documents
