## ICY BOX **IB-MS203-T** Single Monitor Stand

### Single monitor desk mount

Crafted with a robust combination of steel, plastic, and high-quality aluminium, our monitor mount ensures stability and durability. It securely supports monitors up to 32" and weighing between 2 to 9 kg, providing a reliable solution that withstands daily use without compromising on strength.

### Ideal ergonomic setup

An ergonomic monitor mount significantly improves comfort and promotes better posture by allowing you to adjust your screen to the perfect height and angle. This positioning reduces strain on your neck, shoulders, and eyes, preventing discomfort and fatigue during long hours of work.

### Organize your space

Cable management is the key for maintaining a clean and organised workspace. Our IB-MS203-T is the perfect solution for keeping your cables tidy. Reduce the risk of tangling, tripping hazards and wear and tear. This greatly improves the aesthetics of your workspace.
