

4-Port USB-C Charger, 240W Total, Single Port 140W EPR, PD 3.1, Screw Locking Ports, Ideal for Meeting Rooms, Bracket incl. for Surface Mounting, Works with Thunderbolt Devices

Product ID: 424DUK-USB-C-CHARGER

This 240W USB-C GaN Desk Charger delivers a versatile, high-power charging solution for USB-C devices, supporting up to 240W with PD 3.1. The package includes a 6ft (1.8m) NEMA 5-15P to IEC-C5 Power Cord and a Charger Base (installed). To ensure flexibility to choose the best cable for your specific installation, the USB-C charger does not include a cable. StarTech.com offers a wide variety of USB cables in various lengths and with different functionalities to suit different installation needs.

This USB C desk charger with 4x USBC (single port 140W EPR) allows you to charge up to four laptops simultaneously. Supporting high-performance USB Power Delivery (PD) 3.1, this device can charge demanding 140W devices, including the M-Series MacBook Pros. Its robust design accommodates current laptops like the MacBook Air, Dell XPS, iPad Pro, iPhone, Samsung smartphones, and Google Pixel, while also ensuring future-proof compatibility with next-generation devices.

This USB Desk Charger is engineered for optimal cooling, providing a safer, more reliable charging experience. With reliable and Fast Charging/PPS, it facilitates a 0-50% charge in 30 minutes. It features an efficient design with Active Power Factor Correction (PF > 0.99).

Safety and efficiency are paramount with the 240W USB GaN Charger. Compatible with USB-IF protocol, it is TUV Safety Listed (IEC 62368-1) and FCC/ICES EMC certified, providing protection against over-voltage, current, and temperature. Additionally, it meets DOE Level VI standards, guaranteeing energy efficiency and reliable performance.

Consolidate chargers and free up desk space in meeting rooms, boardrooms, shared/open workspaces and reception desks. Use this charger for laptop or tablet charging in educational settings. Ideal for IT managers, office and hybrid/home office workers and content creators.

Designed with reduce and recycle in mind, the recyclable brown box includes paper screw pouches to ensure minimal environmental impact. Additionally, the product packaging is compact to keep product from moving or being damaged during transport.
