HP LaserJet Enterprise 8501 Printer series

The ultimate workflow experience

Boost office productivity with fast print speeds and effortless management.

Rely on exceptional performance

- Stay productive and always ready for what's next with upgradeable HP FutureSmart features.²
- Save valuable time. High-quality prints are delivered quickly—with speeds up to 70 ppm.³

Secure what matters¹

- Your work is secure with HP Wolf Security⁴, silently detecting and repairing your printer from cyber attacks.
- Protect your network with the world's first quantum-resistant business printers.⁴
- Protect data stored on your device with the embedded HP Trusted Platform Module. Passwords, keys, and more.

Simplify print management

- Receive an easy-to-install printer at your office. No third-party technician needed.
- Easily maintain on your own—or get assistance from HP Services when you need it.
- Simplify management with long-lasting consumables and parts that minimize intervention.

Reduce your impact with sustainably designed tech

- Our energy efficient designs meet the rigorous criteria of EPEAT Gold, Energy Star and Blue Angel.⁶
- With HP Planet Partners, we offer a convenient way to recycle HP supplies after their use.
- With every page you print, HP invests in helping to protect, manage, and restore forests.⁸

Product walkaround

- 1. 500-sheet output bin
- 2. 70 ppm
- 3. Automatic, 2-sided printing
- 4. HP Wolf Enterprise Security
- 5. 4.3-inch Color touchscreen
- 6. Power button
- 7. Right door access to the print path
- 8. Hardware Integration Pocket
- 9. Easy access USB port
- 10. 2,180-sheet input

Footnotes

- ¹ The HP LaserJet Enterprise 8801/8601/8501 printer series is the top-tier model in our HP Enterprise portfolio, featuring the highest print and scan speeds, along with advanced printing solutions for easy print management.
- ² Some features enabled by future HP FutureSmart firmware upgrades may not be available on older devices, if for example, physical product characteristics limit the functionality of the new feature
- ³ Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁴ HP Security is now HP Wolf Security. Security features vary by platform, please see product data sheet for details. HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of 2024 published features of competitive in-class printers. Only HP offers multiple security features that automatically detect, stop, and recover from attacks with a self-healing reboot in alignment with NIST SP 800-193 guidelines for device cyber resiliency. For a list of compatible products, visit: hp.com/go/PrintersThatProtect. For more information, visit: hp.com/go/PrinterSecurityClaims. HP Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager. Post Quantum Cryptography (PQC): Based on HP's internal analysis of business Printers with preinstalled encryption authentication, malware protection, and BIOS-level protection with automatic self-healing recovery finding that no other in-class Printers implement a quantum-resistant cryptographic scheme to protect the integrity of the BIOS as of 2025. PQC will be available in Fall'25 with Firmware 25.9.2.2+.
- 5 Use of the HP Trusted Platform Module may require a firmware upgrade.
- 6 HP voluntarily designs and tests its printing systems to prevent emissions that exceed Blue Angel and EPEAT eco-label guidelines. Based on US, Canada, India, and Australia EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information. ENERGY STAR and the ENERGY STAR logo are registered U.S. marks. HP printer, HP paper and Original HP supply - Blue Angel DE-UZ 219 Emissions Criteria.
- Program availability varies. For more information, visit hp.com/hprecycle.
- *HD works collaboratively with our partners including WWF and Conservation International to manage, restore, and protect forests in many countries around the world. With HP, every print—regardless of paper brand—is addressed through HP's Forest Positive Framework to counteract risks of deforestation. To learn more visit hp.com/forestfirst.
- 9 HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin.
- ¹⁰ See hp.com/go/TonerRecycledContent for list. Post-consumer recycled is based on the definition set in the EPEAT standard for imaging equipment, and is expressed as percent of total weight of plastic.

Technical specifications disclaimers

- Acoustic values are subject to change. For current information see http://www.hp.com/support
- ² Including Starter toner cartridge weight
- ³ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁴ Based on HP internal evaluation measuring the time from print initiation to page exit. Exact speed varies depending on the system configuration, software application, driver, and document complexity. Additionally, for information of First Page Out measured using ISO/IEC 17629, see hp.com/go/printer claims.

 Approximate average yield based on ISO/IEC 19752. Actual yield varies considerably based on content of printed pages and other factors. For details see http://www.hp.com/go/learnaboutsupplies.
