

MPN: CABINETCASTOR

Heavy Duty Castor for Cabinets

The Heavy Duty Castor for Cabinets (CABINETCASTOR) provides robust and reliable mobility for your valuable rack-mounted equipment. Designed to easily attach to indoor rack cabinets, these heavy-duty castors allow for smooth and controlled movement, making repositioning and maintenance a breeze. With MicroConnect's 20+ years of expertise, you can trust in the quality and durability of these castors to support even the heaviest cabinet loads. Enhance the flexibility and accessibility of your server room or data center with these essential rack accessories, built to European design standards for lasting performance. Move your cabinets with confidence and ease, thanks to MicroConnect's pioneering innovation in connectivity solutions and rack accessories.
