

Portable speaker

- Grey

SBA1710/37

Mobile speaker

Pumping out larger-than-life sound, Philips SBA1710 speakers come complete with a handy mobile stand that ensures they're incredibly easy to use!

Benefits

Impressive sound

- Class "D" Digital Amplifier for superb sound quality
- 4W RMS total output power

Designed for grab and go

- Up to 8 hours music playback
- Music on the go

Simplicity

- Battery powered for portability
- Compatible with any media

Features

Class D Digital Amplifier

Class 'D' Digital Amplifier takes an analog signal, converts it into a digital signal and then amplifies the signal digitally. The signal then enters a demodulation

filter to give the final output. The amplified digital output delivers all the advantages of digital audio, including improved sound quality. In addition, Class 'D' Digital Amplifier has greater than 90% efficiency compared to traditional AB amplifiers. This high efficiency translates into a powerful amplifier with a small footprint.

PHILIPS

4W RMS total output power

RMS refers to Root Mean Square which is a typical measurement of audio power, or rather, the electrical power transferred from an audio amplifier to a loudspeaker, which is measured in watts. The amount of electrical power delivered to the loudspeaker and its sensitivity determines the sound power that is generated. Essentially, amplifiers are limited by the electrical energy they can amplify and loudspeakers by the electrical energy they can convert into sound energy, without distorting the audio signal. The higher the wattage, the better the sound power emitted by the speaker.

Up to 8 hours music playback

Enjoy music playback for up to 8 hours on a single charge.

Music on the go

Enjoy the convenience of playing music the way you want - play it out loud through the mobile speaker.

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Compatible with

Smartphones	Yes
iPod	Yes
iPhone	Yes
Mp3 player	Yes in

Design and finishing

Color	Grey
