

CitiScape Headband Headphones

- Shibuya
- On-ear
- Black

SHL5200BK/10

Powered by deep, dynamic bass

with sound-isolating cushions

Japanese pop culture and chic simplicity lend iconic flair to the CitiScape Shibuya Headphone. Its lightweight, breathable headband with auto-fitting, noise-isolating cushions ensures perfect fit and comfort while you immerse yourself in powerful bass sounds.

Benefits

Total immersion

- Powerful 40 mm drivers deliver deep and dynamic bass
- On-ear isolating cushions block out the city noise

Supreme comfort

- Flat 1.2 m anti-tangle cable keeps you kink- and knot-free
- Soft breathable headband for long-listening comfort
- Soft foam cushions for music enjoyment in true comfort

PHILIPS

Features

Deep and dynamic bass

Get into your groove with music that packs a solid punch, thanks to powerful 40 mm drivers that deliver deep and dynamic bass. With Philips' background in sound excellence, you can trust that your CitiScape headphones will ensure a vividly moving sound experience — wherever you go.

Flat anti-tangle cable

Say goodbye to wrestling with knotted and messy cables in and out of your bag. Your CitiScape headphones' flat 1.2 m anti-tangle cable stays kink- and knot-free—always. Now you can focus on what matters most, like enjoying your music with ease wherever you go.

On-ear isolating cushions

Be part of the city buzz but not its noise with on-ear sound isolating cushions. The incredibly soft ear cushions enclose the speakers around your ears for long-lasting wearing comfort. You will be able to clearly discern and enjoy all the sound details in your favourite music.

Soft breathable headband

The soft and lightweight headband is perforated in order to release heat build-up when you're wearing your CitiScape headphones.

Soft foam cushions

Ultra-soft and supple cushions hug the contours of your ears comfortably and securely to form a perfect seal. Not only are they designed to ensure the best possible fit — whatever your head shape, they also let you immerse yourself in music enjoyment for extended periods of time. In fact, they're so comfortable, you may even forget that you have them on.

Specifications

Product dimensions

Width	17.5 cm
Height	18.5 cm
Depth	7.5 cm
Weight	0,176 kg

Sound

Acoustic system	Open
Magnet type	Neodymium
Voice coil	CCAW
Diaphragm	Mylar dome
Frequency response	20–20,000 Hz
Impedance	32 Ohm
Maximum power input	30 mW
Sensitivity	106 dB
Speaker diameter	40 mm
Type	Dynamic

Connectivity

Cable Connection	Two-parallel, symmetric
Cable length	1.2 m
Connector	3.5 mm stereo

Finishing of connector	24k Gold plated
Type of cable	OFC

Packaging dimensions

Height	20.00 cm
Width	19.50 cm
Depth	8.00 cm
Net weight	0.18 kg
Gross weight	0.40 kg
EAN	08712581642167
Number of products included	1
Country of origin	CN
Harmonised Systems Code	851830

Outer Carton

Length	26.50 cm
Width	21.50 cm
Height	24.00 cm
Gross weight	1.50 kg
EAN	18712581642164

Number of consumer packages 3

Net weight 31.68 kg
GTIN/EAN 68712581642169
Type 8845
Number of CTIs per stack layer 45
Number of stack layers per unit 4
Number of outer cartons per layer 15

Loading Unit

Number of consumer packages 180
Length 103.00 cm
Width 75.00 cm
Height 89.00 cm
Gross weight 78.00 kg
