

MPN: AUDANR2

# Audio Adapter

The MicroConnect AUDANR2 Adapter provides a reliable solution for adapting 6.35mm connections. This male-to-female adapter ensures seamless signal transmission and is ideal for extending or changing the gender of existing 6.35mm cables. Built to MicroConnect's exacting European quality standards, this adapter guarantees optimal performance and durability. With 20+ years of expertise, MicroConnect delivers pioneering innovation in connectivity solutions, and this adapter is no exception. Perfect for audio professionals, musicians, and anyone needing a dependable 6.35mm connection, the AUDANR2 adapter provides premium quality at a fair price. It's the perfect addition to your toolkit, ensuring compatibility and flexibility in your audio setup.
