FIBER PATCH Simplex SM OS2

9/125µm LC-MU 3M 2.0mm LSZH

(Grade C)

The FIBER PATCH Simplex SM OS2 9/125µm LC-MU 3M cable delivers a reliable, high-speed fiber optic connection for demanding networking applications. This 3-meter cable utilizes single-mode OS2 fiber with a 9/125µm core, ensuring optimal data transmission over longer distances with minimal signal loss. Equipped with LC to MU connectors, it's ideal for connecting various fiber optic devices. The 2.0mm cable features a Low Smoke Zero Halogen (LSZH) jacket, enhancing safety by reducing toxic fumes in case of fire. Meeting Grade C standards, this cable offers exceptional performance and durability. MicroConnect's 20+ years of expertise ensures this fiber patch cable provides premium quality and reliable connectivity, perfect for critical data infrastructure.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- RoHS compliant
- Fibre Standard G.652.D

Specifications

Features	Cable length	3 m
	Connector 1	LC/UPC
	Connector 1 gender	Male
	Connector 2	MU/UPC
	Connector 2 gender	Male
	Fiber mode structure	Single-mode
	Fibre optic type	OS2
	Jacket material	Low smoke zero halogen (LSZH)
	Product colour	Yellow
Technical details	Full duplex	No
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
