Highlights

19 Bar Barista Coffee System

The L'OR Barista system brews coffee at high pressure, ensuring that every cup is rich and full-bodied, so that you can savour true espresso quality and taste.

L'OR Espresso and Barista Nespresso®*

L'OR BARISTA coffee machine is designed to work with the exclusive L'OR BARISTA XXL capsules and L'OR Espresso capsules as well as Nespresso®* Original capsules and most other third-party compatible capsules. *Trademark of a third party not connected to JACOBS DOUWE EGBERTS and/or Philips.

Enjoy Over Ice

Cool down with a refreshing iced coffee. Fill your cup with ice and let the Enjoy Over Ice functionality brew the coffee at a lower temperature, ensuring a smooth taste and a thick velvety crema for your iced creation.

Intensity boost

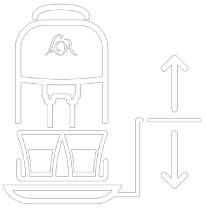

Take your coffee to the next level with Intensity Boost. Unlock richer aromas and flavours with just a touch.

Movable water tank

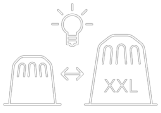

The movable 1.2 L water tank adjusts effortlessly, with 3 positions to fit any kitchen, combining functional practicality with elegant design.

Adjustable Drip Tray

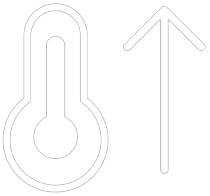

From tall mugs to petite espresso glasses, the adjustable drip tray adapts to your needs. Simply remove the drip tray for taller serves and adjust its height for shorter ones.

Dual Capsule Reco auto detects cap size

L'OR BARISTA Dual Capsule Recognition technology automatically detects the capsule size and automatically switches to the optimal coffee setting.

Fast heat-up time

With the rapid 25 second heat-up feature, you'll never have to wait long for your moment of delicious coffee.

10 coffee capsules included in the box

Every appliance comes with a free 10 coffee capsules, inviting you to begin your L'OR coffee journey of discovery today.
