- Connect with ease to your smart home network
- Keep content closer with Titan OS
- DTS:X for 3D immersive sound experiences

QLED

4K Ambilight TV

65PUS8500/12

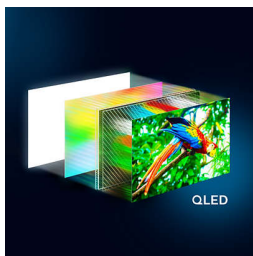

Highlights

Ambilight

With integrated LED lights that react to each scene, Ambilight immerses you in a halo of colorful light. Movies, sports, music videos and gaming expand beyond the screen to draw you deeper into the moment. Once experienced, you'll never want another TV without it.

4K QLED

Vivid colors. Ultra-sharp scenes. It's picture perfection at its finest. With 4k (UHD), this is Ambilight TV that adapts to all your HDR formats. Each incredible moment, whether dark or light, played or streamed, you can devour each detail as you watch scene by scene.

Pixel Precise Ultra HD

With 8 million pixels all working closely together in harmony, this is 4K viewing like no other. With the sharpest images set to define more detailed,

lifelike scenes, nothing captures the moment more truthfully than with this Philips Ambilight TV.

Dolby Atmos

Brace yourself. Dolby Atmos creates sound just as the director intended. Each moment immersing you even deeper into the scene. Whether with movies, series, sports, or games, you'll soon get lost in the moment.

DTS:X compatible

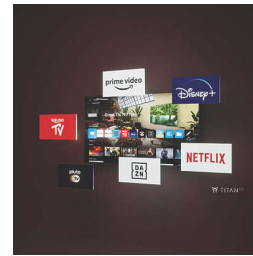

DTS:X makes all the difference, with sound so real it's as if you're there. With 3D audio technology adding another dimension to your sound, it will soon turn your living room into an auditorium.

Vocal Boost

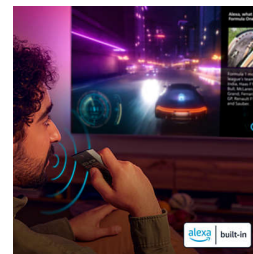

Hear each word with precision. Vocal Boost enables the listener to turn up or down the dialogue volume without any effect on the background sound. This way, you won't miss a single moment now that each spoken sentence comes across with greater clarity.

Philips Smart TV Titan OS

The Philips Smart TV Titan OS platform brings what you love to watch, and fast. From sequels to series, and from documentaries to drama, everything you want is there at the touch of a button. Whatever you're looking to watch, keep all the best streaming apps easily within your reach.

Seamless control

Matter Smart Home compatibility brings seamless integration to your existing smart home network. To control the TV from your Matter Smart Home app or with voice control services simply push the button on your remote and speak. Dim the lights. Adjust your thermostat. Even turn on your Philips Ambilight TV. A single command does it all.

TITAN OS

**Ready
for gaming**

Highlights

Ready for gaming

HDMI 2.1 and VRR help you get the best from your console, with faster gameplay and smoother graphics. With its low-input-lag setting that cuts in automatically when you turn on your console, you're all set for the next level in gaming.

Sustainable expertise

Edge stand, sleek slim frame, remarkable QLED TV—this is European design at its finest. Set your Ambilight to lounge mode to drench your room in color while your TV sleeps. And with its remote formed from recycled plastic and the packaging

from FSC-certified cardboard, even the inserts are carefully considered and printed on recycled paper.

Multiple sizes

Small screen 43-inch. Jaw-dropping 85-inch TV. And everything in between. This is all about creating greater choice, just to ensure your

television blends in beautifully. With six different sizes, you're sure to select the perfect TV for your home.
